Uploading a Comment File

When the new comment window is opened, if you scroll down, you'll see an **Add Supporting File** button which will open a dialog box where you can select the comment file you wish to upload.

Optionally, you can send notification of your comments to:

- The entire committee
- The person who originally uploaded the document (Document Submitter) being balloted
- The person identified as the Technical Contact of the document being balloted.

Click the Save button to save your comment.

(IMPORTANT NOTE – After saving your comment, a blank browser screen may appear. This is a known bug, and the system developers are aware. To confirm that your comments were submitted, return to the committee’s Workspace and select the **Comments** link. If your comments were properly recorded/received, they will display in the list. If you have any problems or need assistance, please contact your Committee Manager.)
