Thank you, Lois – I'm sorry this will be done with a huge delay. Running late and am leaving on a vacation.

I'll let you know once done, but it will be a while.

Hi Marianna,

Please offboard Paul Wardner from Icom America. He is no longer with the organization . I already removed him from receiving benefits.

Thanks!

Just made a note in netforum that icom would like to have Paul Wardner removed from their roster. He is no longer with the company. This company is only a member because of standards. Thanks Michele
